## ABOUT

Saputara is Gujarat's only hill station, in the Dang district of South Gujarat. It is located on a plateau in the Western Ghats, at an altitude of 1,000m above sea level. The Maharashtra state line is just 4km away from the town. The cities closest to Saputara are Surat, 156km away, and Nasik, 79km. It gets significant numbers of tourists from both states, so Saputara is not exactly off the beaten track. At the same time, it has not been overwhelmed with visitors like many other hill stations of India. It has just about enough to spend a quiet weekend.
